

Interim Release Guide 11/16/2009

1. Page A - Meeting Date - The calendar button must be used to enter Meeting Date. No typed date is allowed.

2. Associated Files - In Review Overview is a new button allowing access to Associated Files attached to the IEP document. The IEP must be open before the new button is visible.

3. Associated Files - On the IEP Overview screen, Associated Files is now present for previous IEP records.

Meeting Date	Type	A	B	Goals Overview	F	G	H	I	R	Progress	State Forms	Associated Files	Archived IEPs	Status Code
07/02/2009	Reeval	A	B	GOALS	F	G	H	I	R			Files	09/18/2009 (Implemented)	IMP
09/20/2006												Files	09/04/2009 (Final) 09/23/2006 (Implemented)	ARC

4. Medicaid Parent Authorization - On the Print Menu, when 'All Additional Forms' is selected, the Medicaid Parent Authorization form will be included if the child has a Medicaid number.
5. Additional State Forms Printing - When a user is on any additional state form and clicks on the 'Print' button, the Print Preview will automatically display the current form. The Print Menu is bypassed. This means if there are two Meeting Notice forms and the teacher wants a copy of both, each Meeting Notice will need opened and printed separately, unless the Print button on the IEP Overview or any IEP page is used.
6. When the meeting type is 'Reevaluation' a 'Consent for Evaluation' is required. The Incomplete Data Report will check for a Consent.
7. When the meeting type is 'Review' the following Additional Forms are not available:
 - a. Consent for Evaluation/Reevaluation
 - b. Educational Evaluation Report (EER)
8. When the meeting type is 'Reevaluation', the Educational Evaluation Report (EER) is not available.
