

Title: Use of IMS Fields and Modules

Series: 6003a

Related Regulations: 6002a

Date Adopted: September 24, 2002

1 As additional data needs arise within an Area Education Agency (AEA) that are not supported by
2 the Information Management System (IMS) application, AEA's will submit a request for a change
3 or modification to the application to the Operations Governance Committee (OGC). The OGC
4 will apply guiding principles set forth in policy before approving or disapproving a requested
5 change.
