

Title: **Importing to and Exporting from IMS**

Series: 6004

Related Regulations: 6004a

Date Adopted: September 24, 2002

1 In order to address the complex and varied data needs within an organization, Area Education
2 Agencies (AEAs) and Local Education Agencies (LEAs) often use multiple software
3 applications. When an AEA, on behalf of an LEA, requests to have data imported to or exported
4 from IMS or when an AEA wishes to have data imported to or exported from IMS for their own
5 purposes, a file format established by the Operations Governance Committee (OGC) will be used.
