

# Consent and Eligibility

## Overview

This module tracks the length of time between a consent for evaluation and the determination of eligibility for both Part C infants and toddlers and Part B children and youth.

## Uniform Data Entry Procedure

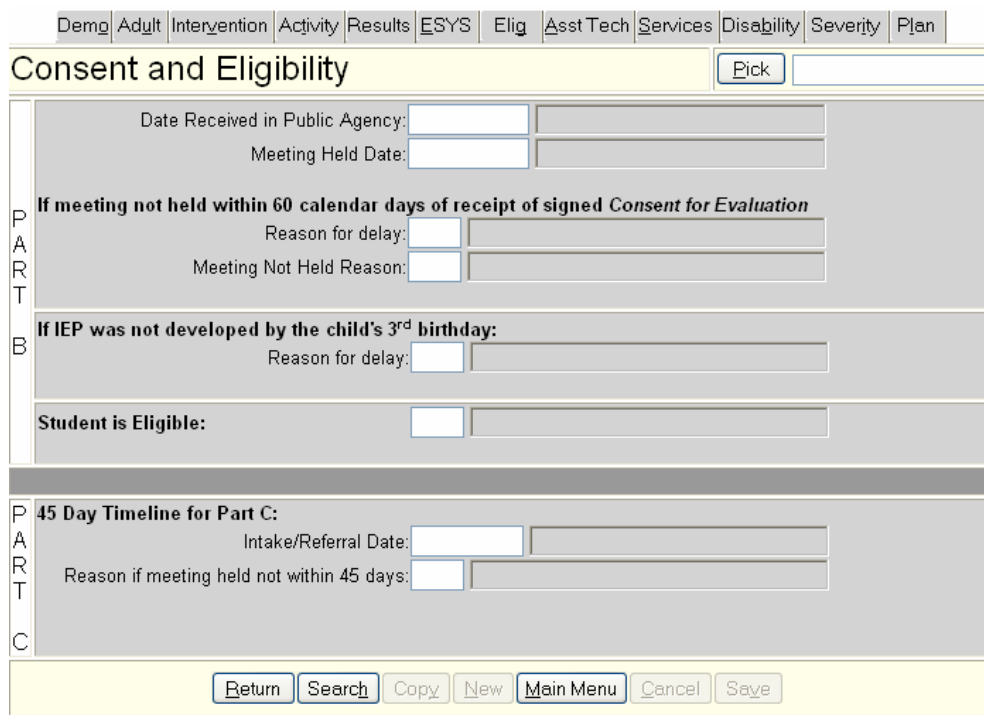

At this time, the following Uniform Data Entry Procedure is related to the Plan screen:

- Consent and Eligibility

If an AEA believes there is a reason to diverge from a Uniform Data Entry Procedure, please contact the DE before initiating any changes.

## Access to Screen

From the Main Menu, select Eligibility under the Child section or select the Elig tab from any other screen.

## Add a New Consent and Eligibility

1. Access the Child Demographic screen.
2. Click on the Eligibility button.
3. Click on the New button.
4. Enter the data there were provided via the IFSP or IEP documents.
5. Click on Return to go back.
